THE NEWSLETTER OF FLACKWELL HEATH COMMUNITY ASSOCIATION

FABULOUS FUN IN THE SUN

The sun shone down on the Flackwell Heath Fayre & Picnic bringing the village together at the recreation park. Despite the competing attractions of the Wimbledon Men's Singles Final and the football World Cup Final, many families enjoyed wide ranging entertainment as local societies and clubs put together a variety of stalls.

Youngsters were especially delighted with a visit from the local fire engine, and also from the local police, for whom Blaze, the working police dog was the star attraction. Musical accompaniment from the local band, The Rock Doctors, was a highlight, as was the dance display from the Anna Rose Dance School. There were plenty of opportunities to win, too, whether by demonstrating sporting prowess with the football games or just by sheer chance with a well-supported raffle.

The whole fantastic event was organised by the Flackwell Heath Residents Association, with the support of Flackwell Heath Community Association. Thanks goes out to all the volunteers without whom such an event could not take place.

HEDGE PLANS PRICKLE RESIDENTS

Parish Council plans to address the deteriorating condition of the hedge on Orchard Green has provoked an energetic response from neighbouring residents.

Councillors heard that the large number of responses their consultation leaflet had provoked, were “more than the number of leaflets sent out”. The leaflet had warned that the worsening condition of the hedge that runs along Green Dragon Lane to the corner of Chapman Lane, necessitated “some, possibly severe” work to improve its condition and as a result would initially have “an impact on the view from your property”.

Summing up the general response from the residents at a meeting of the Chepping Wycombe Parish Council Open Space Committee on the 10 July, Chairman Councillor Willis concluded that whilst most residents acknowledged that work needed to be done, they raised concerns about the impact on privacy, noise and overall attractiveness.

Councillor Willis confirmed that the plan

was just draft at this stage and that at no stage would the whole hedge be removed in one go. A working party will evaluate the options and re-work the proposal, where appropriate.

A site visit was scheduled for the 26 July to help inform the process. No action would be confirmed before September, allowing both residents and councillors further opportunities to review the recommendation.

PCSO'S GIFT IS A LIFE SAVER

Flackwell Heath has received an unusual gift from its Police Community Support Officer and now the search is on to find volunteers who can use it to save lives.

PCSO Mark Franza has donated a defibrillator to the village following the death of a friend from a heart attack in Hazlemere three years ago. Identifying the lack of easily accessible Automatic External Defibrillators (AED) locally, Mark

started fundraising and has now raised enough money to supply four defibrillators, one of which will be housed at the Royal British Legion Club in Common Road.

AEDs are used on people suffering sudden cardiac arrest to restore a natural heart rhythm. It can greatly increase the victim's chance of recovery.

The AED unit has been fixed to the outside wall of the British Legion, where it can be clearly seen. In the case of an emergency, callers dial 999 and will then receive a code to unlock the defibrillator for use. Although it will generally be kept securely locked, there are hopes that it could be transported to major events around the village in the future.

British Legion Club Secretary Ashley Hopkins, said: “ We are very grateful to John Dunsterville from the Bourne End Round Table who installed the defibrillator for us. It is in a good position in the centre of the village, close to most amenities. We are now trying to organise a launch date when we will have trainers available to show people how to use the

equipment. The more volunteers we receive the better and we will arrange as many training days as necessary.”

Volunteers are invited to make initial contact with the British Legion at info@rblflackwell-heath.co.uk

The British Legion Club is holding two special entertainment events during the afternoons of Sunday 16 September and Sunday 23 September.

The former includes an auction of many new quality items and vouchers for local attractions plus an open buffet with music from Ashley Webber. The latter is a live musical afternoon with dancing to the music of the fantastic six-piece band "Under Construction".

Both events are open to members and non-members and children are welcome. These events are free of charge and further details can be found on the Club website at www.rblflackwell-heath.co.uk.

Flackwell Heath Women's Institute

Morning WI

On a very hot morning last month, our speaker, Hugh Grainger, came to talk about "Amazing Frauds & Swindles" over the years (we quickly discovered that nothing is new in this world).

Our delegate to the National Annual Meeting in Cardiff in June reported on the proceedings, during which there was a 98% majority vote in favour of the resolution on "Mental Health Matters" on which the WI will campaign.

We do not meet in August, but by the time this is published, hopefully we will have had an outing which includes lunch and a boat trip from Reading to Goring.

Our September speaker, Cally Foster will tell us what 'Funny things happened on the way to Retirement'.

Brenda Aldridge

Evening WI

Ian Jones told us about his work: '40 years in Bomb Disposal and Still 10 Fingers'. As a young soldier in Northern Ireland during the Troubles, the main problem was improvised explosive devices (IED), often car bombs. The Army used robots called 'wheelbarrows' to approach and neutralise them. He had a spell in Kosovo with the teams finding and identifying the dead, who might have small arms ammunition with them. Back in civilian life, he joined the

Metropolitan Police. There, the problem might be anything from a suspect postal package to bombs left over from one of the World Wars to IEDs. He once found a shell in a museum that still contained its explosive charge! A fascinating and well-illustrated talk.

No meeting in August - we are going on an outing to the National Memorial Arboretum. In September, Paul Rabbitts will tell us about 'Cassiobury, the ancient seat of the Earls of Essex'.

Simply marvellous fun at the Fayre

Louis and Dylan Stephens take a turn on the Spinning Teacups ride

All the fun of the fair was to be had at Carrington Schools PTA annual fayre last month.

A fabulous selection of stands including toys, books and cakes were on offer, as were a number of less usual attractions. RepSmiles a reptile handling company had brought along Buttercup and Azreal, a pair of Burmese Pythons to wow the children.

Music kept the festivities bubbling along, thanks to John Johnny's mobile entertainment, and a barbecue kept the sizzle going throughout the afternoon as temperatures soared ever higher under a cloudless blue sky.

The Heath Singers Concert

Conductor Peggy Woolhouse once again put together a varied and enjoyable programme of music for this year's summer concert at Christ Church at the end of June. There were new pieces as well as some more familiar songs and many had a river theme. There were some particularly tricky arrangements, but all were played expertly by pianist Jan Churchouse.

Guest soloist Kristian Nobbs, a local bass/baritone singer, whose proud Mum Janette is a member of the choir, sang four songs, each very different in style, with emotion and expression.

After the interval, Helen Heard entertained us with some Witty Words.

During a set of three reflective songs choir member Sue Grundey accompanied "Ave Maria" on her flute.

For the Broadway Medley finale, choir members donned pink feather boas and sparkly hats! A fitting end to a really enjoyable concert.

Ruth Dobson and Sue Simpson (daughters of Kate Barber, member of the choir until her death in 2006)

Juniper's Joyful Jubilee

Families at Juniper Hill School held a special celebration to mark the school's 50th anniversary at the end of June.

There were performances by the school choir and demonstrations by some of the after school clubs including dance, karate and cheer leaders. A fire engine and a collection of super bikes were on display with many organisations kindly giving their time free of charge. The teachers proved great sports as children voted for which of them should be put in the stocks to endure a few wet sponges thrown at them.

Music was provided by Dave the Disco and children had a great time doing a group Floss dance. A display of snakes, lizards and bugs was not out of place on the day since past pupils have fond memories of the wonderful menagerie of creatures once kept at the school.

Ex pupil, Julie Hailstone, remembers: "During the late 80s and early 90s we had an alligator, horse, goat, rabbits, guinea pigs, hamsters, rats, gerbils, fish, various birds and axolotl."

Money raised from the event will go towards school projects.

Neighbourhood Watch News

Summer Security

I know we've been here before, but it doesn't do any harm to remind us all about the safety and security of our homes and property during the summer holidays. Homes with no security measures in place are five times more likely to be burgled than those with simple security measures.

- Lock your doors and windows every time you leave the house, and even when you're just out in the garden, remembering to double-lock UPVC doors (lift handle and turn key).

- Hide all keys, including car keys, out of sight and away from the letterbox (remember a device could be used to hook keys through the letterbox).

- Install a visible burglar alarm as part of a number of security measures - a burglar alarm on its own will not prevent entry to your home.

- Install good outside lighting – control with PIR's to minimise energy use! Avoid unnecessary light spread to your neighbours property.

- Get a trusted neighbour to keep an eye on your property.

- Use timers to switch on lights and a radio in your house to make the property appear occupied.

- Secure bicycles at home by chaining them to an immovable object inside a locked shed or garage.

- Keep ladders and tools stored away; don't leave them outside where they could be used to break into your home.

- Ensure side gates are locked to prevent access to the rear of the property.

- Make sure the fences around your garden are in good condition.

- Improve natural surveillance at the front of your property i.e. trim high hedges.

- Mark your property with postcode and house number and register your property for free with Immobilise (<https://www.immobilise.com/>)

- Consider joining or forming a Neighbourhood Watch scheme (<https://neighbourhoodwatchwycombe.org/>)

- Remove valuables from view of ground floor windows.

- Store any high value items (i.e. jewellery, passports) in a properly secured safe or bank vault.

Going away on holiday

- Make your home look like someone is living in it.

- Use automatic timer-switches to turn your lights and radios on when it goes dark.

- Cancel any newspaper or milk deliveries.

- Use the Royal Mail's 'keepsafe' service - they keep your mail for up to 2 months while you're away. Mail sitting on your doorstep is a sign that you are away.

- Trusted neighbours may be able to help you by collecting your post, opening and closing curtains and they could park their car on your driveway.

- Avoid discussing holiday plans on public social networking sites - burglars can use any information you post on there to their advantage.

Have a very enjoyable and safe summer.

Appeal Corner

We are interested to know if anyone has old maps of the villages, as we would like to build a picture of how they have changed and grown over the years.

We would also be interested in copies of house deeds. We recently were able to copy deeds from an old house that detailed who owned land/house over the last couple of hundred years.

Calling would-be gardeners

The Chapel Road allotments are not as popular as they once were and where beds full of fruit and vegetables used to grow, there are now vacant plots attracting nothing more than gardening waste and rubbish.

A recent meeting of the Open Spaces Committee at Chepping Wycombe Parish Council heard that there are currently at least nine plots vacant and no applicants on the waiting list to take any on.

Chepping Wycombe parish councillor and chairman of the Open Spaces Committee, Les Willis said: "It's a sad fact but as people get older they find that the allotments are too much work for them."

The committee agreed to spend £2,000 on hiring a grab lorry to remove the rubbish following a clear up that had been undertaken on the empty plots. The committee also agreed to approach local schools to enquire whether an allotment may be of interest to them.

Anyone interested in having an allotment should contact the parish clerk at clerk@CWPC.org.uk or telephone 01494 814600.

Appeal for memories

We have received an enquiry requesting further information about the Summerfield family who lived in the village for many years. Of particular interest is the family of Albert and Violet Summerfield who in 1939 lived at 7 Fairview Lane, previously known as Chopstick Alley.

Albert and Violet had three children, twins Jack and Ted born in 1937, and a daughter Ena. After the second world war the family moved to No. 30 Oaklands Way and the three children went to Hatters Lane School. They subsequently moved away from Flackwell Heath. Ted passed away in 1995, Ena in 2017 and Jack in June of this year when he was living in Haywards Heath.

It is Ted's daughter Jacqueline who has been in touch and she would welcome any information about the family from when they were living in Flackwell Heath. She can be contacted by email at btony876@aol.com.
